How I think we could improve Blackboys School

37 responses

More interaction between classes	having a swimming pool and more freedom
More exciting science experiments	longer lessons.
By everyone learning the Lord's prayer	make it bigger
more equipment	Do more challenging maths
more ICT	Nothing, my school is surely perfect
More break/playtime	there should be a girls changing room
none	i think it would improve Blackboys if the students weren't so unneeded rudeto each other.
I think we cant improve because it is an amazing school anyway!!!	Peoples body language
Being kind	let KS2 do out door adventure club
I can't think of anything.	I don't think any thing can change
i think it is fine as in is is	By having more challenging work.
more science,ICT,DT	i think we could have more time on the computers.
Do challenges	This school could really needs a class 5 because the year six's do so much different stuff to the year 5's which means they could do there own stuff on there own and it would help there SATS .
Have a basketball club!	Making some lessons harder for more skilled student and easier for less academically gifted students.
Our own Swimming pool	NOTHING!
More painting and maypole dancing next year, please.	
Sometimes, I think that some people are not being treated as fairly as other people. Also sometimes the lessons are quite boring.	
More and more and more writing	
we could have a art teacher	
do more writing at school and more playing at home	
Nothing
