Christian Value for Term 6 : **THANKFULNESS**

Dear Parents / Carers,

With the half term break a distant memory, it has been a pleasure to see the children engage wholeheartedly in Science Week this week. Pupils in all classes have had exciting new experiences, taken part in experiments and investigations and discovered the important stories of famous scientists. We feel it is important to take time like this to explore a curriculum subject in real depth and this focus on subjects like Science is set to continue as the new academic year begins in September.

Some of you will be aware that there will be a new Inspection Framework for OFSTED in September, which rightly puts focus on a school's curriculum. As important as Reading, Writing and Maths obviously are, we have always been passionate about other curriculum areas, most notably Science, PE and RE. Over the course of the next few months, we will be able to share with parents our plans to make sure that Blackboys School curriculum interests, excites and develops our pupils.

Talking of curriculum, our Year 6 pupils visited Chichester Cathedral on Wednesday for their yearly Diocesan Visit. The children can be seen below, taking part in a St Richard Pilgrimage Workshop. St Richard was a former Bishop of Chichester and, of course, the name of one of our Houses (Red House). The children also enjoyed an interactive tour of the Cathedral, helping them to appreciate why it is such a special place to worship and helping their understanding of the words from Ephesians 5:19-20:

*"Speak to one another with the words of psalms, hymns, and sacred songs; sing hymns and psalms to the Lord with praise in your hearts. In the name of our Lord Jesus Christ, always give thanks for everything to God the Father. "*
