

Home Learning Menu Term 1

I would like you to complete one activity each week.

<p>Have a go at making a Roman recipe. Take some photos, get your friends and family to try them, and write a review!</p>	<p><u>Geography</u> British towns in Roman times had very different names. Can you find some, and put them onto a map of Britain? (e.g. Chichester was called <i>Noviomagus Reginorum</i>)</p>	<p><u>Art</u> Draw/paint a picture of something from Romans times e.g. a Roman banquet, or chariot racing. Write a caption to go with it.</p>
<p><u>Literacy</u> Write a diary entry from someone in a British village which gets taken over by the Romans.</p>	<p><u>Literacy</u> The Romans built some amazing structures like the Colosseum and Hadrian's wall. What can you find out about one of these buildings? Present your work as a poster or leaflet.</p>	<p><u>Literacy</u> The Roman Empire was ruled by many very interesting Emperors! Find out about one of them and write a short biography.</p>
<p><u>History/DT</u> An arch is much stronger than a rectangular opening in a wall (like a doorway). The most important stone in an arch is the keystone. If it slips the arch falls down. Find some examples of modern arches to draw. You could try building your own arches.</p>	<p><u>Science</u> Find out about some of the amazing inventions the Romans created. Describe your favourite inventions in a page titled "Roman Science and Technology".</p>	<p><u>History</u> The Romans worshipped several different Gods. Create your own Roman God - what would they be responsible for? How would people worship you? Alternatively, create a fact file for one of the Roman Gods.</p>

Don't forget to:

Complete your set activities on Mathematics; Read every day; Learn your spellings; Keep practicing those times tables.
