Wednesday 22nd July

Well, today is your last day in Year 2. It has been a real pleasure to teach you all this year and watch you make so much progress. I have seen some of you in school and seen how much you have grown; I wonder how tall some of you at home have got? I'm really sad that I haven't been able to see you all before you move into Key Stage 2, but I know that you will all continue to be the best you can be as you go through Year 3. I will really miss teaching you all, but I will be keeping a special eye on you all and talking to Miss Sanderson about how you are doing.

Today would normally be games day in school. I would like you to design (and make if you can) a game that helps you to practise something that you have enjoyed learning about this year. This might be something from phonics, it could be a Literacy skill that you have learnt, a Maths concept such as telling the time, or you might want to make a game about one of our topics (Victorian women - Florence Nightingale, Grace Darling, Mary Seacole; Rainforests or Space).

I hope you have a fantastic summer holiday and I really look forward to seeing you all back at school in September.
