## **Introduction**

We believe that if children feel safe, nurtured and supported in our school communities, (and each family is a part of those communities) then the mutual effort of working together to fulfil our aims will make for successful, happy children, (as Jesus teaches us that whatever we do we must put in our best effort) and thus enable them to “Be the best they can be”.

The St Thomas à Becket Church of England Federation (which is referred to as the Federation in the rest of this document) has drawn up the following policies and guidance to:

- help new and existing parents/carers to settle into the Federation’s schools
- set out the roles of both the Federation schools and parents/carers in our pupils’ education.

The Federation’s aim is to enable all pupils to fulfil their individual potential within a Christian setting.

Federation policies that include information that is useful to parents/carers are:

- Relationships and Behaviour Policy
- Allergy Awareness Policy
- Acceptable Use Policy – Children, Parents and Carers
- Charging and Remissions Policy
- Supporting Pupils with Medical Conditions Policy
- Home Learning Policy
- Anti-Bullying Policy

## **Home/School Expectations**

**The Federation aims to give your child:**

- Support in their growth towards independence, recognising and building on each child’s strengths

**We expect parents/carers to:**

- Agree to support the Federation school's Relationships and Behaviour Policy
- Refrain from discussing or alluding to the Federation's schools, or any member of its community, on social networking sites

**Attendance Policy**

This policy reflects the vision and aims of the Federation by

- Encouraging members of staff, parents/carers and children to maximise the learning experience in order that all children reach their full potential.

- Providing clear procedures for involving parents relating to school attendance.

## **Principles**

Regular and punctual attendance is of paramount importance in ensuring that all children have full access to the curriculum. Valuable learning time is lost when children are absent or late.

Children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. Permitting absence from school without a good reason is an offence by the parent.

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the Federation school, the parents and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Every half-day absence has to be classified by the Federation school, (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required, preferably in writing.

***Authorised absences are mornings or afternoons away from school for a reason such as genuine illness or other unavoidable cause.***

***Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes:***

- ❖ ***parents keeping children off school unnecessarily***
- ❖ ***truancy before or during the school day***
- ❖ ***absences which have never been properly explained***
- ❖ ***children who arrive at school too late to get a mark***

Parents are expected to contact their school at an early stage and to work with members of staff in resolving any problems together. If difficulties cannot be sorted out in this way, the Federation school may refer the child to the Education Support, Behaviour and Attendance Service from the Local Authority. The Practitioner will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed, these Officers can use Legal Interventions on parents or to seek an Education Supervision Order on the child. The maximum penalty on conviction is a fine of £2,500 and/or 3 months imprisonment.

## **Procedures**

The Federation applies the following procedures in deciding how to deal with individual absences:

If a child is poorly or had a medical appointment, their school office must be contacted prior to 9:10 am on the day of the absence.

An absence form must be collected and filled in from their school office for a planned absence. This absence form must be completed 14 days before the planned absence. It is extremely unlikely the Federation school will authorise this absence.

Absence will only be authorised in very exceptional circumstances.

Should a child not be accounted for by 9:30 am, this becomes a school priority and every effort will be made to contact the family or pupil. This may even include a visit to the child's home to ascertain their safety.

**It is not usually appropriate for the school to authorise absences for shopping, looking after other children, day trips etc. Leave may, however, be granted in an emergency (e.g. bereavement) or for medical appointments which must be in school time.**

### **Information about individual school targets, projects and special initiatives**

The Federation works very hard to continue to improve attendance, and it is a priority for our Governing Body and Headteachers. Federation School's set high target attendance percentages which are regularly monitored and review at both Staff Meetings and Governing Body Meetings.

### **Those people responsible for attendance matters in our schools are:**

Blackboys Church of England Primary School – Mr G Sullivan, Headteacher  
Framfield Church of England Primary School – Mrs L Pestell, Headteacher

### **Attendance Records**

It is the responsibility of members of staff at each school within the Federation to ensure that an accurate record is kept of all pupils in their school. Any arrival or departure to and from the premises is recorded in a separate register held in the relevant School Reception, which all parents/carers must sign when pupils are taken from the premises earlier than the usual session ends. Similarly, when a pupil arrives late, parents/carers must sign the late book also held in the relevant School Reception.

Each Class Register will be kept in an accessible location in the relevant School Office at all times. Records of daily registers are kept by the Federation for the recommended period by the Local Authority.

If appropriate and at their profession discretion the Designated Safeguarding Lead from each school within the Federation will ensure that alternative providers are fully informed of pupils with open Child Protection [CP] files. If a child is not accounted for by 9.30 am, secretarial staff will endeavour to contact parents/carers to find out why they have not arrived at their school. Looked After Children [LAC] and children with CP plans who are absent will be notified to the relevant Headteacher as a matter of priority. The school within the Federation will inform the Attendance Officer of any child who has unsatisfactory attendance [below 90%] and a pattern of non-attendance on certain days of the week.

## **Summary**

The Federation has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend. The Federation is committed to working with parents as the best way to ensure as high a level of attendance as possible.

## **Handover Policy**

### **Introduction and Principles**

This Handover Policy is one of a suite of Federation policies for safeguarding children. Every adult working within the Federation's schools has been trained to appreciate that he or she has a key responsibility for helping to keep children safe at all times. Parents/carers are therefore asked to ensure that handover to their school within the Federation and from their school is conducted safely and on a timely basis.

Every member of staff who works with children has read Part 1 of *Keeping Children Safe in Education*. Staffing ratios at the Federation are generous and deliberately designed to ensure that every pupil is supervised the whole time that he or she is in the care of the Federation.

This policy first sets out the procedures for maintaining safety during the handover process. Secondly, it outlines what the Federation does to ensure that a pupil is held safe if not collected. This policy applies to all pupils including those within the Early Years Foundation Stage (EYFS).

### **Specific Objectives**

The policy deals with:

- Responsibilities of members of staff and parents/carers
- Start and End of Day Arrangements for each school within the Federation
- Procedures when a pupil is not collected on time

### **Responsibilities of Members of Staff and Parents/Carers**

All relevant members of staff are aware of this policy through induction training. It is the responsibility of all members of staff to read the detail of the policy and act at all times according to its guidance. Thorough risk assessments and adequate staff/pupil ratios are provided when pupils leave a Federation school's premises.

Schools within the Federation will give a warm and friendly welcome to each pupil on arrival and ensure that they depart safely at the end of each session. When pupils are using the playground they are supervised at all times by an adult on duty. If pupils leave the classroom security to work in other parts of their school, supervision is maintained at all times. If pupils leave the classroom to use the toilet it is the Class Teacher's responsibility to ensure that pupils are accounted for on return to

the classroom. Pupils are educated in the importance of staying on their school site at all times unless accompanied by an adult.

It is the responsibility of parents/carers to ensure that they provide correct contact information when requested on a timely basis, to update their school within the Federation if contact information changes, and to know the procedures for handover of their child at the beginning and end of the day. Parents/carers must not leave children unattended before their school doors/gates are opened.

If parents/carers are unable to pick up their child from their school in person, they must alert their school in advance (preferably in writing) of the name of the adult who will do so, and ensure that such persons clearly identify themselves to a member of staff. If the member of staff is concerned that the person collecting the child is not acting on instructions from the parents/carers they will ask for their Headteacher to be summoned to make a final decision on releasing the pupil.

If parents/carers wish their children to walk home alone, this will be a matter for discussion between their Headteacher and parents/carers, based on an understanding of a pupil's age, maturity and previous experience. A 'home-time agreement' will need to be completed (Please see Appendix One for sample form). The relevant Headteacher reserves the right to refuse permission for a pupil to walk home alone depending on the distance and on any concerns the Federation may have at that time.

All pupils must be collected from clubs by an adult unless written permission is given for the pupil to walk home alone.

## **Start and End of Day Arrangements**

### ***Procedures for Framfield Church of England Primary School***

#### **Arrivals: 'Kiss and Drop Procedure'**

In order to reduce congestion the school and PTFA operate a "Kiss and Drop" system. Pupils who are dropped off by vehicles should follow these safety points:

1. Do not arrive before 8.45am.
2. Drive carefully into the Memorial Hall Car Park as close as possible to the school side gate. Caution should be taken as queueing vehicles are likely.
3. Switch off your engine.
4. Wait for a member of staff/PTFA representative to approach your vehicle.
5. Children should get out on the passenger side and go straight into school with the member of staff/PTFA representative. Children must not run or walk across the car park.
6. Once the child/children are safely out of the car, please drive out of the car park, showing caution and consideration to both other vehicles and other parents/carers crossing the road.

Parents/carers arriving on foot should drop their child/children at the entrance gate to the small playground where they are able to watch them walk into the larger playground where they are met by a teacher/teaching assistant.

#### **Departures:**

- The school gate will be opened at 3.00 pm by a member of staff who will wait at the gate until it is closed.
- Pupils are dismissed by their Teachers from their outside classroom doors directly to their parent/carers.
- Parents/carers and children should stay together as they leave the playground/school premises.
- Pupils attending after-school clubs will be brought to the school front entrance door by the club leader or delegated person for collection. Those attending specific sports clubs which use the Memorial Hall will be collected from there as directed.

#### **Procedures to be followed by Members of Staff when a Pupil is not collected on time**

If a pupil is not collected from their school within a quarter of an hour of the agreed collection time, the school will take the pupil back inside to Reception and call the contact numbers for the parent or carers. The Class Teacher or other staff member

will continue to call the numbers provided. If this continues for an hour or more after pick-up, he/she will call the emergency numbers for this pupil. During this time, the pupil will be safely looked after.

If there is no response from the parents' or carers' contact numbers, or the emergency numbers, by the time the school premises are closing, the relevant Headteacher will:

1. Contact the Single Point of Advice (East Sussex Safeguarding Children Partnership (SCP), who will make emergency arrangements for the child, will arrange for a visit to be made to the child's house and will check with the Police.
2. Make a full written report of the incident.

### **Contact**

Should you have any specific questions relating to the contents of this policy or guidance please do not hesitate to speak to your child's Teacher or their Headteacher.

### **Review**

This policy will be reviewed as it is deemed appropriate, but no less frequently than every two years. The policy review will be undertaken by the Federation's Headteachers and the Governing Body's Policies Working Party.
