### Spelling

1. We are now using the spelling scheme Superhero spellings. Each week the children will be working on a different spelling rule and receive 10 spelling words. A list of these can be found stuck into homework books **for the children to practise at home.**
2. These will also be worked on in class and at the end of the week the children will complete dictation sentences including these 10 words.
3. Dictation sentences will be stuck into the back of homework books each week in order to see progress and any words/spelling rules that may need to be worked on further.
4. A list of our class 'non-negotiable spelling words' is also stuck into homework books for the children to work on independently at home if needed.

### Reading

1. Reading is required every night which is to be shown in their reading records. Reading records will be checked on a **Thursday**.

### Maths

1. Mathletics work will also be set every week on the same days as stated above. If there are any issues with mathletics, please do contact me.
2. Don't forget to keep practicing times tables at home whenever you can.
