Christian Value for Term : RESPECT

## Special Edition

Dear Parents/Carers,

We are so fortunate to have a great community here at Blackboys. There is always a sense of common purpose, and our motto "Be the best you can be; Living life in all its fullness" resonates through our pupils, staff and parent group. Thank you for everything you do in making our school so inclusive and vibrant.

Parents and Grandparents often ask me whether there is anything the school needs? As well as supporting the school's PTA events, there has become a desire to support individual classes and buy something that the classteachers really want/need. This is particularly prevalent as we approach the end of the school year, when families like to leave a lasting legacy from year 6 or from a change in classroom/teacher.

With this in mind, in collaboration with the PTA, each class-teacher created a wishlist. On the wishlist are extra resources which would further enhance the educational offer at Blackboys.

Should parents, grandparents or friends of the school wish to purchase an item on the wishlist for a class, they can do this via the PTA's Sumup Store. There are items of differing expense, something we hope will cater for all.

This is naturally a choice for families and friends and we would still love everyone to be involved in our PTA events; it is though a nice option for family members who may live some distance away, but who still want to support the school.

Attached to this letter are the 5 wishlists.

To purchase any item, please point your internet browsers to [blackboyspta.sumupstore.com/products](https://blackboyspta.sumupstore.com/products) and use the category menu to find the class you wish to gift to.

Thank you for reading this special edition of the school newsletter and please share it with friends and family.

Best wishes  
Mr Sullivan

## Class One's Wishlist

We are excited to introduce a new parent-led initiative to Blackboys CE Primary School; The Wishlist Fund.

The Wishlist is a list of desirable educational resources, chosen by our teachers, which will further aid and enrich our children's experience within the classroom. There are items to suit all budgets, and we hope that being able to choose the resource and class it is donated to, will be appealing to parents, grandparents, and caregivers.

Playdough (pack of 20)  
£28.31

Shape Lotto  
£21.59

Lego/Duplo people set (26 pieces)  
£133.55

Geocolour game  
£42.65

Count and match  
numbers game £25.67

Click on the button which will take you to a webpage to choose and pay for the item you would like to donate. Please feel free to also share the purchasing links with whomever else should like to contribute to the Wishlist; it is a fantastic opportunity for relatives and friends of the school to actively support the children's learning experience.

Thank you in advance for your generosity.
