Christian Value for Term : Courage

## Christian Value of the Term: **Courage**

This term, we are focusing on the Christian value of courage. At our school, we believe that courage is about more than bravery—it is about having the strength to do what is right, even when it feels difficult or uncomfortable. In the Bible, there are many examples of courage, from David facing Goliath to Jesus showing compassion and love in the face of challenge. We encourage all our super children to reflect on how they can show courage in their words and actions. We look forward to celebrating acts of courage together in assemblies and through our work in the classroom!

## TT Rockstar and NumBot Day

A dark and wet day outside, but full of joy and sunshine inside Blackboys School. It was great to give these two valuable maths learning platforms a real boost today. The children (and staff!) have enjoyed getting dressed up and engaging in different activities during the day. Thank you to parents for your support.

## Governor News

We are delighted to welcome Mrs Philippa Field to the governing board. Two of Philippa's children previously attended Blackboys, and she will be a familiar face to many of our children having been a volunteer reader for several years. We also wish our Clerk, Phil Wilmowski a grateful and fond

farewell. Phil has served in his role as clerk for 20 years! We wish him all the best.

We extend a warm welcome to our new clerk to the governors, Rebecca Miller.

Governors have been busy. The second full governing board meeting of the year took place before Christmas, as did a finance meeting. Monitoring visits have taken place in Phonics and guided reading, RE, safeguarding, Music, History, Geography and Writing, with further visits coming up.

As ever, it's been a delight to see Blackboys children being the best they can be, thoroughly engaged in purposeful learning. We are excited to see them flourishing as the year progresses.

## Prayer Post Box

New Life Church, who meet at school, would love to offer to pray for anyone who would appreciate it. The school has kindly situated a prayer box near the main Office for this purpose. There will be cards and pens and you can pop in and request at any time. You can keep the prayer request private but if you mention any names - it will still stay confidential to the prayer group. The prayer box is available to pupils, as well as parents and friends of the school.

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God." Philippians 4 v 6

**Spring Term Parent Consultations—Mon 9th and Wed 11th February**  
As per the letter sent via ParentMail earlier this week, this term will see our Spring Term Parent Consultations taking place. Each parent/carer will be offered the opportunity to meet with their child's class teacher. To secure your appointment please refer to the letter sent out.

**Due to the consultation evening, please remember there will be NO after school football club taking place on Monday 09th February. All other clubs as well as wrap around care continue to take place.**

## **Wrap Around Care**

We are thrilled that our wrap around care provision continues to be well used by Parents/Carers. Currently, most days we are at capacity for After School Club and this has been the case for most of this term. Breakfast Club is also becoming increasingly popular.

**We have to therefore be strict on the 24 hours notice we require when booking in to the club. There may well be no available space.**

Please also remember should you not require a place at a wrap around care session to cancel your child's booking ASAP. This will allow us to offer the place to someone who needs it. We reserve the right to charge for bookings which aren't cancelled.

Our best advice is to book places as far in advance as possible. We would also like to remind parents that **After School Club is primarily to support parents who need childcare for work or training.** Wrap around care is not a lifestyle choice, handy convenience or a playdate provider. It would not be in keeping with the aims of our wrap around care if someone who needs it for work or training can't book a space because parents have filled spaces for convenient extra-curricular club pick ups!

## **Class Led Acts of Worship, Spring Term 3**
